## Button loading bar

Inspired by [@jackthomson](#) and his [funky loader](#)

[DOWNLOAD](#)

[View my other pens](#)  [Follow me on codepen](#)

This section displays a variety of button designs, including a 'Button loading bar' inspired by [@jackthomson](#)'s [funky loader](#). It features a grid of buttons in different colors and styles, some labeled 'HTML & CSS BOX DESIGN RECIPE'. Below the grid is a large, dark button labeled 'POINT' with a hand cursor icon. At the bottom right are links to view other pens and follow the author on CodePen.

This collage of screenshots illustrates various UI design patterns and user interface elements, likely from a design system or a user interface library.

- Breadcrumbs:** Three examples showing breadcrumb navigation with links and current page indicators.
- Progress Bars:** Two examples showing progress bars with percentages (82% and 47%).
- Step Navigation:** Two examples showing step navigation for a process (e.g., 1. Customer Info, 2. Shipping Info, 3. Payment Info, 4. Review Order).
- Pagination:** A screenshot showing a paginated list with numbered pages (1-25) and navigation arrows.
- Table:** A screenshot of a table titled "Salary by Job" showing salary data for various professions across years 2010-2014.
- Modals:** Two examples of modals with titles, headlines, and cancel/confirm buttons.
- Calendars:** Two examples of calendars showing dates for October 2013, with one modal asking if the user wants to delete a comment.
- Header Variations:** Six examples of header variations for a site named "ease". These include:
  - A standard header with "Products", "About", "Blog", and "Contacts" menu items.
  - A header with social media icons (Facebook, Twitter, LinkedIn).
  - A header with "Products", "About", "Blog", and "Contacts" menu items, along with a search bar and user account icons.
  - A header with "Products", "About", "Blog", and "Contacts" menu items, along with a search bar and user account icons.
  - A header with a search bar, user account icons, and a "CART" button.
  - A header with a search bar, user account icons, and a "CART" button.
- Footer Variations:** Three examples of footer variations for the "ease" site, featuring social media icons, a search bar, and user account icons.
